MEDICAL CENTER

CANCELLATION POLICY

Our goal is to provide quality medical care in a timely manner. In order to do so we have had to implement an appointment cancellation policy. The policy enables us to better utilize available appointments for our patients in need of medical care.

In order to be respectful of the medical needs of the Allergy & Immunology Medical Center community, please be courteous and call us promptly if you are unable to attend an appointment.

In order to accomplish this, we have implemented a **\$50.00** cancellation fee for those patients who do not give 24 hour notice or are a “no show” to their scheduled appointment.
